REASONS FOR ALLOWANCE

1. The following is an Examiner's statement of reasons for allowance:

The arguments set forth in the appeal brief on 12/5/2005 are considered persuasive. The provision for the claimed downward bandwidth managing means arranged in the optical line terminator which performs downstream bandwidth allocation serving to provide digital content delivery to particular network devices/consumers over an optical network, further in combination with the remainder of the claimed invention as set forth in the independent claims is not provided, expressly taught or reasonably suggested in any single reference, nor in any proper combination of references found in the prior art of record. Claim interpretation is made in light of various supporting portions of the specification, inter alia, Page 23, Lines 13 through Page 25, Line 12, and Figures 2, 3, and 5-9, and additionally as argued by Applicant, inter alia, at Pages 3, and 5-12 of the appeal brief received 12/5/2005.

Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
